Now for the fun part. Please inform your parents/guardians that they have **homework** tonight, too.

Dear Parent or Guardian,

I'm very glad to have your child in my class. I anticipate a productive & fun year. Please fill out the following, as well as discussing classroom expectations and procedures (found in the syllabus brochure), and have your child return this to me in class by tomorrow. Please note: students will be encouraged to use technology in the classroom, including but not limited to: texting, internet access, and application downloads. Thank you, and I look forward to working with you to make your child successful in math.
